PRESIDENT'S MESSAGE

Hi Everyone,

We've had a great start to the new year! On January 27th, the Dohmens, Billie, Allan and I attended the ETI National Presidents & Membership Luncheon in Sunland. ETI is doing well financially. The ETI National Convention will not be held this year, but there will be a Spring ride June 6-9th. The location has not been determined, but National has put out a survey asking for opinions on Spring ride options and rides in general.

Jim Renze, Patty Hug and Jeanne Mather were able to secure Madrone, Oak and 3 of the smaller camps at Morro Bay for August 19th - August 26th. THANK YOU, THANK YOU, THANK YOU! Once again C22 will be able to enjoy riding on the ocean and enjoy camping in Hazard Horse Camp!

We have some great rides and events coming up:

We are looking forward to our next event, a day at the races at Santa Anita Racetrack March 9th. Please let Tiffanie know if you will be joining (flyer on page 9).

Our General Meeting is Thursday, March 21st at Mandarin Terrace.

April 5th-7th is the Pioneertown camp out. It's been a few years since we've been back. There are a few are restaurants, saloons and a bakery now. Come on out and join the fun! Please reserve your camping site/corral directly through Pioneertown Corrals's website (flyer on page 10).

April 14th is the John Richardson Memorial Ride at Vasquez Rocks. This is a about a 2 -1/2 hour ride through the majestic, scenic Vasquez Rocks. Afterwards, we will have lunch at Maria Bonita's Restaurant, which is about 1/2 mile from Vasquez Rocks. We will trailer over and park near the restaurant for lunch. Don't forget your cameras!! Please RSVP to Sharon Richardson (flyer on page 11).

May 11th is our Progressive Dinner Ride in at Shamrock T Ranch in Agua Dulce (flyer on page 12).

June 6th-9th is the ETI National Annual Spring Ride. Details to follow. Please save the date!

See you on the trail,

Kat

HORSIN' AROUND

2024 Casper's Camp Out

Our first ride of the year was a success despite the rain! Nine riders enjoyed the beautiful campsites at the Starr Mesa equestrian campground at Ronald W. Caspers Wilderness Park in San Juan Capistrano. Each pull-through campsite had 2 corrals, a firepit, a picnic table and water for the horses. Several of us had never been there so we were all ready for an adventure, rain or shine! After everyone arrived and got settled in, we all headed into town for a lovely dinner at Crivello's Italian Bistro. The food was absolutely amazing! On Saturday morning, Jesse Hightower cooked us a cowboy breakfast casserole in the dutch oven. After breakfast, Tiffanie Bailey led us on a nice ride on the Dick Loskorn and West Ridge trail. Half way on our ride it started to rain, but we were all prepared with our rain gear. All the horses did really well in the rain/mud. After we got back to camp, the rain let up and we enjoyed appetizers and a nice potluck dinner. It was a wonderful time had by all!

HORSIN' AROUND

15th Annual Bert Bonnett/Doc Larsen Chili Ride

Our second ride of the year was a success despite all the rain we've had in the last couple of weeks. The rain stopped just in time for the trails to dry out for the 15th Annual Doc Larsen & Bert Bonnett Memorial Chili Ride..no dust! Allan Johnson led 18 riders on a wonderful ride up Little Tujung creek to lower/upper Doc Larsen trail. We stopped to water horses at the water trough built by Doc Larsen. When we got back to Ranger Park, Bill and Tina Pollard had chili waiting for us. Bill made his traditional chili without beans (my favorite) and another pot of chili with beans. We also enjoyed delicious cornbread made by Becky George and Billie McGuire and brownies! Doc's daughter, Linda Warnekros, shared stories about Doc's work as a veterinarian and all his work on the trails. A special thanks to Allan Johnson and Billie McGuire for pre-riding and leading the ride! Also a very big thank you to Bill Pollard for making his delicious chili and Billie and Becky for making cornbread. Thanks again to Allan Johnson and the San Fernando Rangers for allowing us to use their wonderful facility. Cheers to Doc & Bert!
