Hi Everyone,

Can you believe fall is already right around the corner? I hope you're all soaking up this gorgeous late-summer weather. We had an absolute blast in Morro Bay this past weekend, and the cooler coastal weather was a welcome relief for everyone. Be sure to check out the write-up and photos on pages 8-11 of this bulletin.

I'd like to extend my deepest gratitude to all of you who have helped make our events possible—especially our trail bosses and volunteers. We couldn't have done it without you!

We have some exciting rides/events coming up:

September 24th is our General Meeting, which will be held at Mandarin Terrace. We need a nominating committee for elections that will be held on November 19th.

September 26th is our Moonlight ride to the Hideaway! Overnight accommodations available. Please RSVP to Allan Johnson (see flyer on page 12).

Join the San Fernando Rangers October 8th-11th on their annual Lone Pine Ride. This ride fills up fast so get your reservations in to Allan Johnson (flyer on page 13).

HORSIN' AROUND

C22/C12 Mt. Pinos Ride

We had 13 riders come join us for the ride. Lots of different corrals came. One horse threw a shoe and had to go back before we started the downhill part of the ride. We asked some riders Billie McGuire, Allan Johnson and Tom Hill to go down ahead of us with some trail tools that Roberta brought up to clear a tree that was interfering with horses passing thru. They did a great job, almost a freeway. The saw is no more as it tragically suffered a broken handle. But Tom and Allan did take a fall while doing the work but came out with no injuries. The rest of the ride was uneventful with just viewing the trees, snow flowers and cooler weather. After a lunch at Sheep Camp, it was time to head back home. The ride always seem shorter maybe the horses are hurrying home. Once back on the fire road, we let the gaited riders from C138 go ahead while the rest of us took our time getting back. Why hurry when it is near 100 at home?

HORSIN' AROUND

C22/C12 Morro Bay Camp Out

This year's Morro Bay campout was another great week of good company, great meals, and some beautiful rides. The cool coastal weather was a welcome break from the heat back home. In fact, it was actually sprinkling when we joined the group on Thursday! We started things off with a ride along the beach and then headed over to Sea Pines Golf Resort for lunch. The food was delicious as always—and the fish and chips did not disappoint! Thursday evening, a few of us gathered outside to watch the lunar eclipse, which was a pretty special way to end our first day.

On Friday, a group rode out to Spooner's Cove, while some of us gave the horses a break and spent the day exploring town or visiting the sea otters. That evening, we gathered for a small group dinner with Billie McGuire's clam chowder, Jesse Hightower's Dutch oven mac and cheese, and garlic bread. The clam chowder was such a hit that we may have started a new Morro Bay tradition—clam chowder night!

We had a fantastic ride on Saturday. We took a longer loop along the coast on the Bluff Trail to Spooner's Cove, where we stopped for lunch and visited the Spooner Ranch House and Museum. On the ride back, we took the Hazard Peak Trail to Hiedra and Bloody Nose Trail—a great way to finish out the week. Before dinner, Jacob Johnson treated everyone to a whiskey tasting. Dinner was quite the spread with ribeye and New York steaks, Brussels sprouts with kielbasa, sweet potatoes, and corn. After dinner, we held our 50/50 raffle, with Marie Grisham from the Bay Area taking home the winnings. Congratulations, Marie! Afterward, we settled in and spent the evening sharing old stories, plenty of laughs, and enjoying each other's company.

Most of the group packed up and headed home on Sunday, bringing another memorable Morro Bay campout to a close. Great trails, great food, and even better company—we're already looking forward to next year! A special thank you to Patty Hug and everyone that helped organize the camping trip.

One final note: maps will no longer be provided by the park, so be sure to print them off the website beforehand.
